Education

SKN SINHGAD INSTITUTE OF TECHNOLOGY AND SCIENCE	**Pune, Maharashtra**
Bachelor of Engineering in Computer Science	**Nov 2020 - Jun 2024**

Technical Skills

Languages: Java, Python, SQL, JavaScript, HTML/CSS
Frameworks: React, Node.js, Redux, Express, Bootstrap, TailwindCSS
Databases: Firebase, MongoDB, MySQL
Developer Tools: Git, Visual Studio, PyCharm, IntelliJ, Eclipse, GitHub

Projects

Square Yards | *React, Node.js, Express.js, MongoDB, Firebase*   **Jun 2024 - Present**

- Developed a real estate marketplace website with a user-friendly feature for property listings and direct purchases, achieving **500+ property listings** within the first quarter.
- Integrated user authentication and secured passwords, enhancing security and user management.
- Created a responsive and intuitive interface, resulting in a **30% increase in user engagement** across devices.
- Implemented search and filter functionality, allowing users to narrow down listings by **10+ criteria**, improving user experience.
- Optimized website performance, achieving a **25% reduction in page load time**, enhancing user satisfaction.

Real-Time Crypto Currency Tracker | *React, Tailwind, API*   **Sep 2023 - Oct 2023**

- Enabled users to **monitor and track 50+ cryptocurrencies** in real-time, improving investment decision-making.
- Utilized **React Hooks** and Axios for integration with the CoinGecko API, boosting data retrieval efficiency by **25%**.
- Added **price alert functionality**, notifying users of significant changes, leading to a **15% increase in user engagement**.
- Enhanced application performance, achieving a **20% decrease in API response time**, improving overall user experience.

Personal Portfolio | *React, Sass*   **Nov 2023 - Dec 2023**

- Built a personalized portfolio website using **React.js** and **Sass**, showcasing **15+ projects** and skills.
- Designed a user-friendly interface, improving navigation ease and user experience, leading to a **50% increase in visitor retention**.
- Ensured **cross-browser compatibility** and **responsiveness** across devices, achieving a **95% mobile-friendly score** on Google Lighthouse.
- Implemented **SEO optimization techniques**, resulting in a **40% increase in organic search traffic** within the first month.

Achievements

- Solved **300+ DSA questions** on platforms like LeetCode, GFG, TakeUForward.
- Oversaw budget and financial transactions as Treasurer of the Computer Technology Association, managing a budget of **INR 500,000**.
- Won a **silver medal** in the tug-of-war competition among **20 teams**.

Certification

- Web Developer Bootcamp (Udemy)
- React & Redux Bootcamp (KG Coding)
- MERN Stack Bootcamp (Coding Shuttle)
